Dear Scholarship Applicant:

This letter will help to clarify exactly what you are agreeing to when you accept an MCC Scholarship. Each year we apply for grants and solicit donations from the community to cover the costs of this wonderful program. The community members and local organizations have been gracious enough to supply us with scholarship funds year after year. These donated funds cover a portion of your tuition fees. Your tuition rate may vary due to the donation funds received. You will be notified of your rate no later than August 15th.

Parents are responsible for paying the full amount (\$80) of the registration fee. This once a year fee is non-refundable. Tuition payments are due on the first day of class each month.

We are happy to continue this wonderful program as long as the funds allow us to. We know that tuition can be a financial burden to many families. To be eligible for a scholarship the student must reside between the boundaries of the Pack River at Highway 200 and the Montana border.

MCC is a non-profit organization and we rely on donations and fundraisers to keep us in operation. What this means is that we need many volunteers throughout the year to help us to continue all the wonderful services we provide to the community such as the Hope Preschool. This is why we require our scholarship families to volunteer during the school year. Your scholarship hours will be tracked and if you do not complete your scholarship requirements you will not qualify to receive scholarships or MCC services in the future. It is your responsibility to fulfill your scholarship duties. We have a few options when it comes to volunteering.

MCC has a need for two volunteers who would do various tasks under the direction of our Office Manager, Carolyn Speelmon. If you do not wish to sign up for one of those positions, then you are required to volunteer at a minimum of 3 events.

Bunco Fundraiser- ALL Hope Preschool parents are required to participate and volunteer for this fundraiser. The time you volunteer to this event DOES NOT count towards your scholarship volunteer hours.

MCC Job (labor/maintenance)- be able to do minor maintenance duties and have knowledge of using basic tools; clean ovens, refrigerators, landscaping, various labor as needed.

MCC Job (Office)- Prepare Mailings- Sort, label, count, and fill out paperwork for monthly and special mailings. Assist Office Manager with various office duties such as maintaining the marquee, posting fliers, etc.

Hope Preschool Scholarship Application

Please check which Events/Jobs you would like to volunteer for. (Remember if you do not choose an MCC Job, then you need to volunteer for a minimum of three events. I've listed the dates below, keep in mind that set up is typically done the day before and clean up the day after.
