Each year the Memorial Community Center with the help of many local businesses and organizations puts on a **Christmas Giving Program** for local families who reside between the Pack River at SH200 and the Montana/Idaho border. We serve many local families every year.

This year The Memorial Community Center will again focus on Families with Children. We will be partnering with the Clark Fork Food Bank to create a community working together to assist participating families.

OUR PLAN

This year, for families that have been accepted to our program, each child 12 and under will receive a toy, craft and/or game. Older children ages 13-18 will receive a gift card. Children will also be given a "Gift" to put under the tree for their parents. We will be distributing handmade hats knitted by our Community Knitters Group.

Our expectation is to serve approximately 30 families with a goal of raising \$5,000.
